A LETTER TO OUR COMMUNITY

Dear Friends of Yale Center Beijing,

Yale Center Beijing (YCB) is proud to celebrate its 7th anniversary this fall.

Since its establishment on October 27, 2014, YCB has been Yale University's only university-wide center outside of the United States, and it has continued to serve as an intellectual hub for luminaries from China, U.S., and beyond. Over the past seven years, the Center has welcomed **close to 50,000 activity attendees, more than 4,300 program participants**, and garnered around **835,000 followers** on Chinese social media.

During 2020-2021, YCB was the most active and visible U.S. university center in China, despite the ongoing COVID-19 pandemic, the resulting restrictions on in-person activities, and travel disruptions. The Center hosted a variety of events and programs that advanced Yale's mission to improve our world and develop global leaders for all sectors. For example, in April 2021 alone, we hosted **19 days of activities**, with audiences joining both online and in person. From January 2020 to June 2021, the Center published more than **2,000 articles** on Chinese social media, attracting more than **16.1 million page-views**.

Since its founding, YCB has become a convening space that engages scholars and thought leaders from Yale, China, and the rest of the world in dialogues that foster openness, connectedness, and innovation. Today, the Center is a key hub for Yale's global activities, as programming that feature Yale faculty, students, and alumni increased from **50%** of the Center's activities in 2014-2015 to **90%** in 2020-2021.

Looking forward, YCB will continue to:

- * **Enlighten** Promote interdisciplinary and transnational discourse, through event and program series such as the Greenberg Distinguished Colloquium, the Yale Starlight Science Series, and the Experience Yale Program Series, which provide Chinese audiences with an opportunity to interact with Yale professors and other luminaries, and;
- * **Engage** Convene emerging and established leaders, whether from academia, business, government, or nonprofit organizations, to discuss and tackle important issues in an ever-changing world, through programs such as the Yale-Sequoia Capital China Leadership Program, the Yale China Fund for Emotional Intelligence, and the Yale Center Beijing-Caixin Global SMART Talks on Climate Change Program.

We are grateful for the support of Yale University's faculty, administrators, students, alumni, YCB's founding donors and advisory committee members, as well as Yale School of Management's stewardship and guidance on behalf of Yale University. In the coming years, we look forward to continuing to play a pivotal role in connecting Yale, China, and the world.

Furthering Yale University’s mission to improve the world and educate leaders for all sectors, Yale Center Beijing has hosted a variety of events on pressing topics such as climate change, economic development, and food safety, featuring experts, scholars, and government officials in various fields.

These important issues require collaboration across countries and disciplines, and while we may not be able to resolve these dilemmas through a single discussion, the Center provides a valuable convening platform where people can gather and sense how “no man (or nation) is an island.”

The Center’s activities embody the spirit of *Lux et Veritas* and help to inspire more aspiring leaders to improve our world.

新型冠状病毒疫情席卷全球，我们第一期挑选的公开课是耶鲁大学历史学教授Frank Snowden的课程《1600年以来西方社会的流行病》，希望历史能对当下的疫情起到借鉴作用，也为年轻的学者们认识世界和发展学术有所助益。

During the COVID-19 pandemic, Yale Center Beijing shared reviews of 39 Open Yale Courses and the “Inside the Yale Admissions Office” podcast series with Chinese audiences, garnering more than 280,000 views.

Inside the Yale Admissions Office

在网上点击“提交申请”的那一刻，自己的申请材料是如何经过层层筛选，招生办又是怎样从每年超过35,000份申请中选出最后那6%的“幸运儿”——这些对于将耶鲁大学作为梦校的你或许无从得知。

好在以上都是过去时了，耶鲁本科招生办公室推出了一档播客节目《走进耶鲁招生办》（Inside the Yale Admissions Office），揭开了耶鲁招生办内部工作的面纱。

这一系列播客节目由耶鲁招生办主任、耶鲁本科学院07届校友Mark Dunn和另一位招生副主任、耶鲁本科学院12届校友Hannah Mendlowitz共同主持，开设的初衷源于招生官们希望提升耶鲁录取考核人才过程的透明度，帮助有意向的学生、家长和升学指导老师准确了解招生办是如何工作的。

为了让更多将耶鲁视为梦校的中国学生顺利完成申请，耶鲁北京中心开设新专栏《走进耶鲁招生办》，将耶鲁招生办提供的这一有价值的第一手资料进行翻译整理，为更多有实力的学子助上一臂之力！
