## Dear Friends of Yale Center Beijing,

In 2024, built upon the centuries-long bond between Yale University and China, Yale Center Beijing celebrates its 10th year of excellence, collaboration, and intellectual exchange!

On behalf of the Yale Center Beijing team, I would like to extend a heartfelt thank you to our founding donor, Neil Shen, whose vision and generosity have been pivotal in our journey. We are also grateful to our Advisory Committee and Executive Council, donors, supporters, and the entire Yale community, whose contributions have been instrumental to the Center.

Our gratitude extends to the leadership of Yale University, and to the leaders of the Yale School of Management, whose outstanding stewardship has ensured that the Center aligns with Yale's mission and values. Finally, I would like to personally thank my fellow colleagues at Yale Center Beijing, whose dedication and hard work have formed the backbone of our operations, ensuring that we thrive as a vibrant intellectual hub.

Together, over the past decade, we have hosted a wide array of impactful programs, conferences, and dialogues. The myriad programming has not only fostered meaningful connections among China, the U.S., and the world, but also deepened the University's relationships with its Chinese partners.

Looking ahead, we remain committed to enhancing Yale's global presence and advancing our role as a bridge between cultures and ideas. Join us for the next chapter of our journey, and help to shape a future that reflects the shared aspirations and wisdom of our diverse community.

With deepest appreciation,

“No university in the United States has enjoyed as long or extensive a set of educational exchanges with China – and Yale Center Beijing (YCB) continues to exemplify the strength of this centuries-old bond. In its first decade, YCB flourished as a vibrant venue for substantive discussions on the world’s most pressing challenges. As a university-wide facility that supports all fourteen of Yale’s schools, YCB has helped to strengthen over 100 of Yale’s academic partnerships with Chinese counterparts and expand the growing array of executive leadership programs and academic and artistic conferences the university convenes each year. More than an immense source of pride for Yale, YCB is a pillar of our mission to improve the world today and for future generations. I offer heartfelt thanks to the faculty, administrators, alumni, students, and friends who support YCB and wish it every success in the years to come.”

“As Yale Center Beijing celebrates its tenth anniversary, it continues to reflect Yale University’s commitment to international engagement and partnership, and surpass our expectations. As Yale’s only university-wide center outside of its U.S. campus, the Center not only bridges Yale with China and the broader region, but also embodies the University’s dedication to improving the world through collaborative research and scholarship. Looking ahead, I am excited to see how the Center will continue to deepen Yale’s global connections and play an integral role in promoting a more inclusive, innovative, and understanding world.”

“耶鲁北京中心迎来十周年庆典, 过去十年, 它一直履行着耶鲁大学对国际交往与合作的承诺, 并不断实现超越。作为耶鲁大学在美国校园之外设立的唯一一个实体中心, 耶鲁北京中心不仅将耶鲁与中国及更广泛的地区联系在一起, 还体现出大学致力于通过合作研究与学术成果引领世界进步的决心。展望未来, 我很高兴地看到中心将进一步深化耶鲁大学的全球交往, 并在促进一个更加包容、创新和相互理解的世界方面发挥着不可或缺的作用。”

“We have observed with great pride how Yale Center Beijing, in ten short years, has become a brilliant testament to the power of partnership, collaborative dialogue, and fruitful cross-cultural exchange. The Center has developed into a dynamic hub: a vibrant and welcoming space where renowned leaders – across academia, business, and government – can explore timely ideas that span sectors, share in the joys of discovery, and collectively seek solutions to universal challenges such as climate change and global health. These endeavors yield tangible results, foster a spirit of mutual understanding and respect vital to our interconnected world, and profoundly inspire all of us.

The blossoming of these remarkable achievements would not be possible without the great generosity and valued guidance of the Center’s Advisory Committee and Executive Council, to whom we are deeply grateful. We wish to especially acknowledge Neil Shen, whose vision, lead gift, and indomitable work as founder, have been pivotal to realizing Yale Center Beijing’s immense potential for connecting Yale, China, and the world. I also would like to thank my Deputy Dean, Joel Getz, who for the past ten years has worked tirelessly to ensure the Center’s advancement, as well as its oversight on my behalf.

As we celebrate this milestone’s 10th anniversary and embark on the next decade, we invite you to join us in continuing to build upon Yale Center Beijing’s great success.”
